

### Fitzharrys GCSE results 2025

It was a privilege to see so many happy faces as Fitzharrys students received their GCSE results this morning. Staff and parents were proud to see the hard work, dedication, and talent of our students rewarded.

Students were successful across a wide range of subjects, and it was wonderful to see so many staff in school to celebrate with students. In terms of key measures, 69% of students achieved a 9-4 in English and Maths, 53% achieved a 9-5 in English and Maths. This was another successful set of exam results at Fitzharrys School, continuing a pattern of positive outcomes for young people over the last 4 years, and improving further on last year's strong results.

Among a range of successes were Lincoln, Evie, Daniella and Nancy. Lincoln achieved 8 GCSEs between grade 7-9. Evie achieved nine grade 7-9, including four 9s. Daniella achieved ten GCSEs at grade 9, and one at grade 8. Nancy achieved seven grade 7-9. Alfie, Aedrin, Connor, and Damon also did brilliantly, with some excellent grades, including six grade 7-9 for Alfie, and five grade 7-9 for Aedrin.

Lincoln, Evie, Daniella, & Nancy.

Alfie, Aedrin, Connor, & Damon.

We are proud of the achievements of all of our students. Over half of this cohort will join JMF6, our shared sixth form, to study A levels and other level 3 qualifications, while other students will head off to other post-16 education and apprenticeships. Pictured below are more students celebrating their results.

We send congratulations to all of our students on their great results and wish them the very best with their next steps.

Will Speke, Headteacher
