

POST RESULT SERVICES

If your results are not what you hoped to achieve you have a number of services available to you. You need to decide which post-results service you want. The services available are:

1. CLERICAL CHECK

This is a re-check of all clerical procedures leading to the issue of a result. This service will include the following checks:

- That all parts of the script have been marked
- The totaling of marks
- The recording of marks

Candidate consent is required. The deadline completion is within 10 calendar days of the awarding body receiving the request. The outcome of the clerical re-check will be reported along with a statement of the total marks awarded for each unit, or component, included in the enquiry. Marks and subject grades may go down as well as up.

2. REVIEW OF MARKING

This is a post results review of the original marking to ensure that the agreed mark scheme has been applied correctly. **This is not a re-marking of the candidate's script.** The priority review of marking consists of:

- A clerical re-check as above
- Review of marking ensuring that the mark scheme has been applied correctly

The candidates consent is required because marks can go up or down.

Deadline for completion by the exam board is 20 calendar days.

3. PRIORITY REVIEW OF MARKING

Only use this if a place at higher education is dependent on the outcome.

This is a post results review of the original marking to ensure that the agreed mark scheme has been applied correctly. Reviewers will not re-mark the script. They will only act to correct any errors identified in the original marking.

The priority review of marking consists of:

- A clerical re-check
- Review of marking ensuring that the mark scheme has been applied correctly

The candidates consent is required because marks can go up or down.

The deadline for completion is 15 calendar days of the awarding body receiving the request.

4. REVIEW OF MODERATION (This service is **not available to individual candidates)**

This is a review of the original moderation to ensure that the assessment criteria have been fairly, reliably and consistently applied. **It is not a re-moderation of candidates' work**

5. COPY OF SCRIPT TO SUPPORT A REVIEW OF MARKING

This is a priority service that ensures copy scripts are returned to the Centre in sufficient time to allow decisions to be made whether a non-priority review of marking should be applied for. Ask for a **copy** of the script and not the original.

The candidates consent is required.

6. COPY OF SCRIPT TO SUPPORT TEACHING AND LEARNING

This is a non-priority service enabling Centre's to request copies of scripts to support teaching and learning.

- Awarding bodies will provide candidates with either the original hard copy script or an electronic image of the script.

The candidates' consent is required if you wish to request a script.
