Fabulous fundraising!

A HUGE THANK YOU to every single person who has supported the FSA and our recent fundraising events... you have enabled us to sail past our original £5000 target, and we are not yet even halfway through the year!

2025-26 is shaping up to be the FSA's most successful year yet as we continue our fundraising that will contribute to the resurfacing of the Tennis Courts and Sports Hall, modernising these facilities for both school and community use.

We have had a great number of new parents and carers join the FSA committee within the last year, which has allowed us to run brand new fundraising events – such as our fantastic **Christmas Tree Sale**. This new event had consistently brilliant feedback from buyers on the quality and longevity of our trees and raised a total of £1085.94!

Our **Christmas Hamper Draw** was similarly successful and well-received, raising £1267.21 for Fitzharrys!

Following a year off, the highly anticipated **Giant Jumble Sale** returned and was a huge success; a final count revealed this event raised £3184.40 – a new FSA record! Our previous best was the Jumble Sale in 2024, which raised £2158.55.

Our annual **GoFundMe** produced another amazing result, where we hit our initial aim of £1000 so quickly that it became possible to extend the target to £2000, in the hope that we can meet that goal by the end of the school year. We are absolutely delighted to report that we are already 88% of the way there! If you haven't yet donated but would like to do so, we would be delighted to receive any amount to help us towards our target. Sincere thanks to everyone **donating**.

We could not be more grateful for the generosity that the wonderful Fitzharrys School community consistently shows the FSA. Thank you all for your help and support!

It's Official!

The FSA now has charity status

We are pleased to report that our submission to the Charity Commission has been successful, and the Fitzharrys School Association is now a registered charity! Our new status will enable us to have easier access to grants and makes us eligible for *Gift Aid*, amongst other benefits. We're looking forward to exploring these fundraising opportunities.
