

Fitzharrys School

Community Newsletter

Welcome to the first Fitzharrys School Community Newsletter!

The Newsletter is created as a way to keep all members of the Fitzharrys Community connected, and share some of the great opportunities available to our students. It is also a way for us to share some of the many examples of great work and achievements of Fitzharrys students during this difficult time.

We hope that you find it enjoyable and informative!

Amazing work

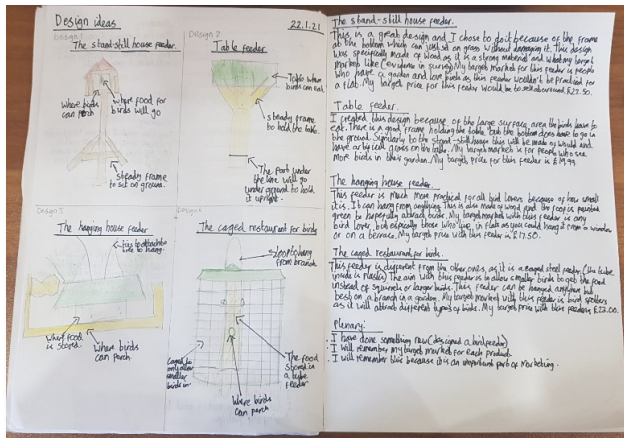

In each Newsletter we will include a sample of amazing work completed by Fitzharrys Students. If you or your child have any great work to share please email to:

acorley@fitzharrys.oxon.sch.uk

Well done to **Daniella Jones** (7I) for her amazing History work. Ms Chadwick was really impressed with the menu you planned and looks forward to hearing how it went!

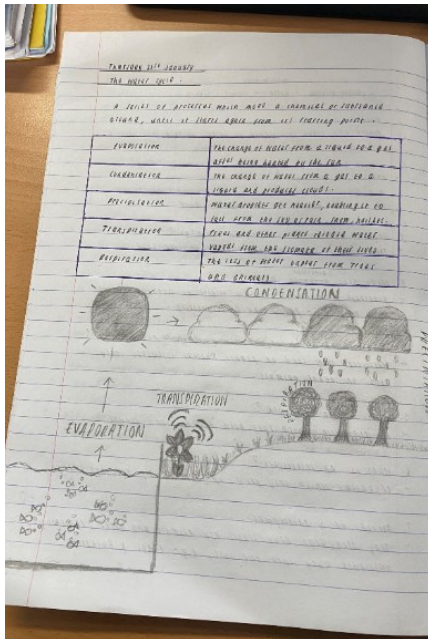

More amazing work

Some Fantastic Technology work here from **Alfred Busson (8T)**. This amazing design process shows detail and careful consideration of the best way to create a big feeder.

Mrs Jarvis was really impressed with this interesting logo design in Fitz Focus Plus. Well done to **Isabella Izzo (9H)** for creating this as part of her Enterprise induction.

Loads of great work shared by **Paulini Tabuada (11I)** in Biology. Ms Leaman has been impressed with the detail of notes to explain the water cycle and the description of each process.

A positive shout out to Mrs Jarvis's Year 10 Business Studies class who have demonstrated excellent work online and in Live Lessons!

Even more amazing work!

Well done to **Izzy Borg (9H)** for this complex diagram of the heart. Dr Ouvry was particularly impressed with the way it shows an understanding of the different parts and blood flows.

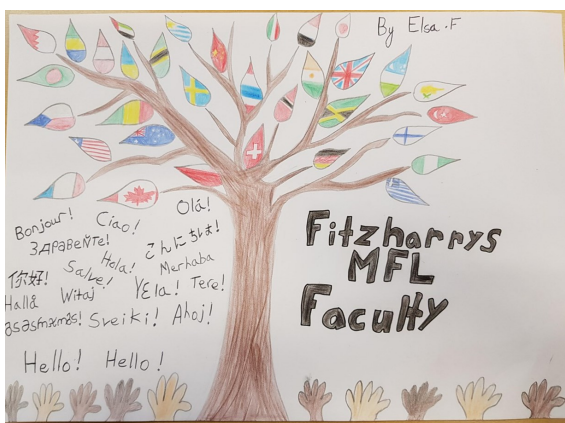

MFL Logo competition

Before Christmas, students took part in our '**MFL Instagram logo competition**'. We are please to announce the winners:

Well done to **Elsa Forrow (8Z)**

Winning the competition and receiving 15 housepoints!

Well done to **Fritha Bladon 8I (top)** 2nd place and **Izzy Hodgkins 8Z** 3rd place.

Both receiving house points for their excellent designs!

Opportunities to get involved

Express Yourself in Lockdown!

This is an opportunity to showcase your enjoyment of Languages.

You can prepare:

- A short poem in French / Spanish (written by yourself or by another author)
- A short presentation on any theme
- (e.g., climate change, equality, why I love languages in French / Spanish)
- A short sketch in French / Spanish
- A short dialogue in French / Spanish

This can be a solo or joint performance but should be no longer than 90 seconds in total and recorded in landscape mode.

You will record yourself delivering your performance, but make sure that you use PowerPoint slides/Bitmoji/other pictures or video imagery. Do not show your face, please.

Email your efforts to Mrs Philbin:

mphilbin@fitzharrys.oxon.sch.uk

The MFL department will upload your efforts on their MFL Instagram account.

There will be house points and prizes for the best ones.

The deadline is 22 February 2021.

For further information and useful tips, please have a look at:

<https://www.britishcouncil.org/school-resources/languages/express-yourself-lockdown>

Merci beaucoup.

Muchas gracias.

The MFL department

Opportunities to get involved

We challenge you to create an origami masterpiece! Send a photo of your creation to your head of year: winners will be announced weekly and there will be a small prize to collect in term 4!

Origami challenge

Looking after your wellbeing

We all know how difficult it is living life in lockdown and it's more important than ever to consider your mental health and wellbeing.

If you're feeling anxious or struggling to unwind after your remote lessons think about trying some of the following techniques:

- Mindfulness— do an activity that makes you focus on the present! This could be going for a walk in the open air, completing some breathing exercises or a break to do some colouring in. More ideas can be found here: <https://youtu.be/cyEdZ23CpIE>
- Exercise— go for a walk, jog or try an online exercise class.
- Yoga or meditation— there are lots of great videos and apps for this, give it a go, it might be the perfect wellbeing boost.

Thank you for reading!

Look out for your next edition in February 2021.
