

15 May 2025

Dear Parents/Carers,

I am delighted to invite your child to a book fair at Fitzharrys School 11th-13th June. This is a great opportunity for Fitzharrys to promote the love of reading for pleasure and to introduce students to new and popular books.

We would also love for the school as a whole to benefit from the book sales, and to do this we need your help! In order to claim free books for our library, we need to reach our goal of £300 in sales, after which 25% of the sales can be claimed back as books for our school. If we raise £400, we will get 40% of the sales to claim back in books. The more we raise the more books we can claim! We will have a goal chart on display in the library so that the students can keep track of our progress.

The Library will be open to students for browsing and buying during morning break and lunch break on 11th-13th June. Please encourage your child to attend the book fair - there will be lots of great books to choose from, as well as a selection of stationery items. This is a great chance for them to choose a book to read during the summer holidays!

Payment options:

There are three ways to pay for the books your child wishes to buy.

1. Cash on the day, and they can take the book/stationery right away (if their choice is available).
2. A book fair voucher which you can buy in advance and which will act the same as cash. Please note, we can't give change if the total amount isn't used. Cash can be used to supplement the sale if the voucher isn't sufficient.
3. Online. Your child can complete a wish list which they will take home and you can buy the books online. They can collect the books the next day (sales on the 13th can be claimed on the 16th).

We are also holding a poster competition in school, where five students will each win a £5 voucher to spend at the book fair!

For more details about how to buy gift vouchers or pay online please see the last page of the attached invitation.

If you require any additional information, please contact me at sholt@fitzharrys.school and I will get back to you as soon as possible.

Best wishes,

Stacey Holt
Learning Resource Centre Manager
