

10 December 2021

Dear Parents/Carers

NON-SCHOOL UNIFORM DAY – Wednesday 15th December

The Student Council have set the contribution for those participating in the non-uniform day at £1.00. ParentMail will be set up for those who wish to wear their own choice of clothes; contribution should be made before the day if possible, please. Optional festive wear but no expectation to buy a Christmas jumper.

Please support us by reminding students that the rules on jewellery (which exist for health and safety reasons) and the mobile phone policy will not be different on the non-uniform day.

Students still need to bring in their PE kit if they have PE on non-uniform day, but they can bring their own choice of kit in. Due to Health and Safety reasons (as well as hygiene) all students are required to be safe and changed appropriately for their activities during PE lessons.

Yours sincerely

Alistair Williams
Pastoral Director
