Dear parent/guardian

Digital access problems – for online learning

A reminder to please contact the school if your son/daughter is having difficulty successfully accessing the online learning due to lack of suitable access or equipment at home.

We may be able to help with the following problems. If we cannot at this time then we will act if and when resources become available. Please detail the problem, which may include:

- (a) Access only available via mobile data – where the cost is a problem
- (b) The student not having access to any device during the school day
- (c) The students only having access to a mobile phone for accessing live lessons
- (d) Student has to share a laptop during the day so cannot access online learning throughout the school day
