

YEAR 11 EXAM SEASON PLANNER 2026

Name:

Tutor group:

This document is to help you to know when and where to be during the exam season. It will also help you to plan your revision over weekends, half term and after school each day. The next 8 weeks require dedication, organisation, and resilience... then you get a lovely long summer break!

| Exams | <i>Masterclasses</i> |
|--|---|
| Exams are in bold on the planner. If you are not involved in the exam at that time, then you will be revising in normal lessons. You need to use this planner in conjunction with your exam timetable . If you need another copy of your exam timetable, just ask your tutor or contact the exams office. | Masterclasses are in italics and underlined on the planner. At some point before each exam, you will have a masterclass for that subject. These are specific lessons planned to help you do well in the upcoming exam. Masterclasses will be in your normal classroom with your normal teacher unless your teacher tells you otherwise. |
| Morning exams | Afternoon exams |
| Arrive by 8:25 at the latest ready for an 8:30 exam briefing from your teacher. The exam briefing in the hall will give you some crucial last reminders to get you in the right mindset for your exam. | Where you have an afternoon exam you will leave lessons at 12:30 for an early lunch in the hall. You will not be allowed to sit outside for lunch to avoid disruption to other lessons. Your exam briefing will start at 13:00. |

Remember to look after yourselves around this potentially stressful time in your lives. Eat well, drink lots of water, get a good night's sleep and make time for exercise. Most importantly be kind to yourselves and ask for help if you need it.

Option blocks – highlight which classes you are in. This will be important so that you know which masterclasses you need to attend. If an option column is stated, the masterclass will only be for that specific block, other blocks may be at a different time.

| A | B |
|---|---------------------------------|
| Computer Science – Mr Brown | Sociology – Mr Dutton-Sedman |
| History – Mr Dutton-Sedman | Performing Arts – Mrs Lancaster |
| Art – Me Lee | Product Design – Mr McCook |
