

# Y11 Mock Preparation

| Subject          | What will be in the exam?  | How can I revise?  |
|------------------|--|--|
| Art              | <p>The mock exam will be a full assessment of the coursework portfolio: the Portfolio is worth 75% of their final coursework mark for the GCSE. This will include all work completed since the start of year 10 up the idea development work, we have been completed this term.</p> <p>We are working towards the production of outcomes during our <b>coursework exam days on the 7<sup>th</sup> and 8<sup>th</sup> of December</b>. This will mark the end point of the GCSE coursework portfolio which is worth 60% of the final GCSE grade. From January we will be working on the externally set assignment (exam) which is worth 40% of the final grade.</p> | <p>Make sure that you are keeping on top of your portfolio work, especially the idea exploration and development.</p> <p>The art rooms are open for GCSE students to complete work at lunchtime and by prior arrangement after school.</p> <p>Look back at old boards and ensure they are complete and make clear connections to your ideas.</p>   |
| Biology          | <p>The mock exam will be a Biology paper 1. This will include the topics of Cells and organisation, and Disease and bioenergetics (B1 to B9).</p> <p>You will need to have a calculator for this paper.</p>  | <p>You should make use of</p> <ul style="list-style-type: none"> <li>• BBC Bitesize revision resources <a href="#">GCSE Biology (Single Science) - AQA - BBC Bitesize</a></li> <li>• Educake quizzes</li> <li>• Past paper resources <a href="#">AQA   GCSE   Biology   Assessment resources</a></li> </ul>  |
| Business Studies | <p>You will be sitting a paper 1 mock exam which will be 105 minutes long and will assess everything you have studied from the start of year 10. In Essence units 1.1 through to and including 1.5. As you are aware unit 1 is worth 50% of the whole qualification.</p>   | <p>There are several ways I would like you to revise, please select the ones that suit your learning style the best.</p> <p><b>Video</b></p> <ul style="list-style-type: none"> <li>• <a href="https://www.bbc.co.uk/bitesize/examspecs/z98snbk">https://www.bbc.co.uk/bitesize/examspecs/z98snbk</a></li> <li>• <a href="https://erevision.uk/auth">https://erevision.uk/auth</a></li> <li>• <a href="https://www.youtube.com/@TwoTeachers">https://www.youtube.com/@TwoTeachers</a></li> </ul> |

|                  |  | <ul style="list-style-type: none"> <li>• <a href="https://www.tutor2u.net/search?q=gcse">https://www.tutor2u.net/search?q=gcse</a></li> </ul> <p><b>Book / Reference revision</b></p> <ul style="list-style-type: none"> <li>• Past exam papers (Edexcel website)</li> <li>• Calculation booklet</li> <li>• Pink books</li> <li>• Yellow vocabulary books</li> <li>• <a href="#">Year 10-Knowledge Organisers</a></li> <li>• <a href="#">Revision Resources</a></li> </ul> |
| Chemistry        | <p>The mock exam will be a Chemistry paper 1. This will include the topics of Atomic structure, The periodic table, Structure and bonding, Chemical calculations, Chemical changes, Electrolysis and Energy changes (C1 to C7).</p> <p>You will need to have a calculator for this paper. The Periodic table will be provided for you.</p>   | <p>You should make use of</p> <ul style="list-style-type: none"> <li>• BBC Bitesize revision resources <a href="#">GCSE Chemistry (Single Science) - AQA - BBC Bitesize</a></li> <li>• Educake quizzes</li> <li>• Past paper resources <a href="#">AQA   GCSE   Chemistry   Assessment resources</a></li> </ul>  |
| Combined Science | <p>For the mock exams you will sit three papers, one for each science. This will be a Biology paper 1, Chemistry paper 1 and a Physics paper 1. The topics for Biology will be Cells and organisation, and Disease and bioenergetics (B1 to B9). The topics for Chemistry will be Atomic structure, The periodic table, Structure and bonding, Chemical calculations, Chemical changes, Electrolysis and Energy changes (C1 to C7). The topics for Physics will be Energy, Electrical circuits, Particle model of matter and Atomic structure (P1 to P7).</p> <p>You will need to have a ruler and a calculator for these papers. The periodic table will be provided for you in Chemistry and the equation sheet will be provided for you in Physics.</p> | <p>You should make use of</p> <ul style="list-style-type: none"> <li>• BBC Bitesize revision resources <a href="#">GCSE Combined Science - AQA Trilogy - BBC Bitesize</a></li> <li>• Educake quizzes</li> <li>• Past paper resources <a href="#">AQA   GCSE   Combined Science: Trilogy   Assessment resources</a></li> </ul>  |

|                                |   |   |
|--------------------------------|---|---|
| Computer Science               | The mock exam will be for 90 mins and is a combination of Paper 1 (50%) and Paper 2 (50%).  | <p>We are using the following for revision in class:</p> <p>CGP GCSE Computer Science Revision</p> <p>OCR GCSE Computer Science Complete Revision and Practice</p> <p>GCSE OCR Computer Science 10-minute tests</p> <p>Websites:</p> <p><a href="#">OCR GCSE Topic List   CSNewbs</a></p> <p><a href="#">Python   CSNewbs</a></p> <p><a href="#">j277 Paper 1 revision - YouTube</a></p>  |
| English                        | <p>There will be three mocks:</p> <ul style="list-style-type: none"> <li>• English Language Paper 1</li> <li>• English Language Paper 2</li> <li>• English Literature: <i>Jekyll and Hyde</i> and <i>Lord of the Flies</i> only</li> </ul>                                      | <p>Students have been given a yellow booklet with full details of what is in each paper and how to revise. This is also available on the English Revision Website:</p> <p><a href="https://sites.google.com/view/fitzharrys-english-revision/year-11-mock-revision?authuser=0">https://sites.google.com/view/fitzharrys-english-revision/year-11-mock-revision?authuser=0</a></p>   |
| Food Preparation and Nutrition | <p>This will be a full mock exam (1 hr 45 mins) comprising of all areas studied throughout the 2 years. This will be marked out of 100. Please ensure all equipment is with you for the exam:</p> <ul style="list-style-type: none"> <li>• normal writing equipment.</li> </ul> | <p>During class time you are working on NEA, you will therefore need to ensure you are revising fully as part of the homework's. This has been set on SENECA for all aspects of the exam. Plus, you have access to the (question book if you purchased one) and revision guide available to loan from the Library . This has been set on Epraise to remind you.</p> <p>You can access past papers from the Eduqas website. <a href="#">GCSE Food Preparation and Nutrition   Eduqas</a></p> <p>Do not forget there are resources also available on:</p> <ul style="list-style-type: none"> <li>- Exam sections of the school website</li> <li>- Bitesize revision (ensure you choose Home Economics) <a href="#">GCSE Home Economics: Food and Nutrition (CCEA) - BBC Bitesize</a></li> </ul> |

|                  |   |  |
|------------------|---|--|
| French / Spanish | <p>The mock exam will be 4 mocks – 25% each</p> <ol style="list-style-type: none"> <li>1- Listening paper</li> <li>2- Speaking paper</li> <li>3- Reading paper</li> <li>4- Writing paper</li> </ol> | <p>For revision, you have access to:</p> <ol style="list-style-type: none"> <li>1. Resources given by your teachers (speaking / vocabulary booklets)</li> <li>2. Seneca – Vocabulary and grammar specific to AQA</li> <li>3. Kerboodle – Listening and reading exercises / vocabulary builders / Revision tips – videos for photocard and role plays</li> <li>4. Memrise – Vocabulary specific to AQA</li> <li>5. AQA website- past papers</li> </ol> <p><a href="#">AQA   GCSE   French   Assessment resources</a></p> <p><a href="#">AQA   GCSE   Spanish   Assessment resources</a></p>   |
| Geography        | <p>Your exam will be paper 1 (physical topics) and fieldwork questions.</p> <p>You will find it useful to have a pen, pencil, ruler and calculator.</p>   | <p>Use appropriate <b>Bitesize</b> pages on physical topics <a href="#">GCSE Geography - OCR - BBC Bitesize</a> (the physical environment and geographical skills sections) and <b>Seneca</b> assignments which will be sent by your teacher. Also, revision materials are available via the <b>Learning Resources</b> area <a href="#">Fitzharrys School - Learning Resources - Revision - All Documents</a> (sharepoint.com)</p> <p>For the fieldwork questions, <b>IF YOU DID NOT GO ON THE RIVERS FIELDWORK TRIP</b> you <b>MUST</b> make sure that have asked for a copy of a fieldwork data collection booklet from someone in your class.</p> |
| History          | <p>The Mock exam will be on <b>Weimar and Nazi Germany</b> and will be 1 hour and 20 minutes long</p>   | <p>Make use of Seneca Premium, you have access to the whole course, hyper learning, past questions, revision cards and night before revision.</p> <p>Also use your Weimar and Nazi Germany books and revision books</p>  |

|                        |   |   |
|------------------------|---|---|
| <p>Maths</p>           | <p>You will take 3 full Maths GCSE exam papers. That cover all the content taught since year 9 and some content from KS3. For some of you there will be questions on content which has not yet been covered, particularly if you are taking a higher tier paper. This is normal and will be accounted for in your predicted grade</p> <ul style="list-style-type: none"> <li>• Paper 1 – non calculator</li> <li>• Paper 2 – calculator</li> <li>• Paper 3 – calculator</li> <li>• </li> </ul> <p>Please ensure you have your full exam pencil case for this exam including a protractor and compass.</p> | <ul style="list-style-type: none"> <li>• Your blue book revision guides you have been creating since the start of Y9 are a great place to start revising and revisiting what you have covered.</li> <li>• SENECA learning is a great place to revise topics that you haven't covered for a while. Remember, the more you use SENECA the more it learns about you and can suggest SMART learning targets.</li> <li>• <a href="#">Corbett Maths 5 a day practice questions</a>, these can be used to revise old content – remember to choose the right tier!</li> <li>• <b>Mrs Twyford &amp; Mrs Price's classes only</b> – Use your Maths Memory booklets to test yourselves and follow up on topics that you have forgotten</li> </ul>  |
| <p>Performing Arts</p> | <p>Your mock exam in Performing Arts will be a “dry run” of <b>Component Three: Set Task Responding to a Brief</b>. This will take place immediately after you complete your Drama Logs for Component Two in the beginning of November and will finish before the Christmas holidays.</p> <p>You will receive feedback and suggestions for improvement on this Mock run of Component Three in preparation for the real exam window, which begins in January.</p>  | <p>Use your class time efficiently to develop, rehearse and perform a workshop performance based on the exam brief set by Pearson. Make arrangements with your group members to rehearse your performance after school.</p> <p>This performance should last around six minutes and needs to communicate ideas and creative intentions to a specific target audience. Your group may be between three and seven performers.</p> <p>In addition to your workshop performance, you will also complete three pieces of Controlled Assessment detailing how you developed your initial ideas, the drama skills you used during your rehearsal process and your evaluation of the final workshop performance. You will be able to prepare</p> |

|                |   |   |
|----------------|---|---|
|                |   | notes in advance for these three pieces of Controlled Assessment.   |
| PE             | <p>The mock exam will include a full assessment of learning on Units 3, 4, 5 and 6, areas that all students on the course will have been taught since the start of Year 10.</p> <p>The questions will be a combination of multiple choice, short answers and some extended writing challenges. Students will have to use their subject knowledge and exam skills to identify what is being asked of them and to apply their learning under strict examination conditions.</p> | <p>There are several ways that students can prepare for the 90-minute exam on November 9<sup>th</sup>.</p> <p>All students have an AQA GCSE PE 'Revision notes' at home and should use this regularly. Be organised and take one section at a time – for example with the 'Technology' topic, p.55–57, take 30 minutes to read, highlight and make notes on the key words that you could use in an extended answer on how Technology has helped/been used in sport. Test yourself on it – what have you retained? Repeat if needed, be honest with yourself.</p> <p>Alternatively, search for videos and use your notes that you have at home to develop your confidence on the topics.</p> |
| Physics        | <p>The mock exam will be a Physics paper 1. This will include the topics of Energy, Electrical circuits, Particle model of matter and Atomic structure (P1 to P7).</p> <p>You will need to have a ruler and a calculator for this paper. The equation sheet will be provided for you.</p>   | <p>You should make use of</p> <ul style="list-style-type: none"> <li>• BBC Bitesize revision resources <a href="#">GCSE Physics (Single Science) - AQA - BBC Bitesize</a></li> <li>• Educake quizzes</li> <li>• Past paper resources <a href="#">AQA   GCSE   Physics   Assessment resources</a></li> </ul>   |
| Product Design | <p>There will be a full mock exam (2 hours) comprising of all areas studied throughout the 2 years. This will be marked out of 100. Please ensure all equipment is with you for the exam:</p> <ul style="list-style-type: none"> <li>• normal writing and drawing instruments</li> <li>• a calculator</li> <li>• a protractor</li> </ul>  | <p>During class time you are working on NEA, you will therefore need to ensure you are revising fully as part of your homework. This has been set on SENECA for all aspects of the exam. Plus, you have access to the (Homework revision question book) and revision guide. This has been set on EPraise to remind you.</p> <p>You can access past papers from the AQA website <a href="#">AQA   GCSE   Design and Technology   Assessment resources</a></p>  |

|           |   |   |
|-----------|---|---|
|           |   | <p>Do not forget there are resources also available on:</p> <ul style="list-style-type: none"> <li>- Learning resources KS4 product design</li> <li>- Exam sections of the school website</li> </ul> <p>Bitesize revision (ensure you choose AQA) <a href="#">GCSE Design and Technology - AQA - BBC Bitesize</a></p> |
| Sociology | The mock exam will be on <b>Family &amp; Education</b> and will be 1 hour and 45 minutes long | <p>Make use of Seneca Premium, you have access to the whole course, hyper learning, past questions, revision cards and night before revision.</p> <p>Also use your Family &amp; Education book and your sociology revision book</p>   |

There will be no mock exam for Music BTEch in November as you are still completing coursework for your component 2. You will have a mock exam in January once your component 2 is finished. Further details about timings will following term 3. When it comes revision for the music mock exam follow the guidance below.

|       |   |  |
|-------|---|--|
| Music | <p>The mock exam will be a condensed form of the actual exam.</p> <p>The actual exam for Music Practice consists of 2x written exams (totalling 3 hours) and 18 hours of preparation, rehearsing/ music production, and performance/ finishing productions. This will include a day off timetable. In the exam they will be creating a performance or production of an existing piece of music and changing the genre.</p> <p>The mock exam will consist of a condensed form of the above that will take place during lesson times.</p> | <p>For pupils taking the performance route:</p> <p>Practice their instrument(s). Pupils can book rehearsal rooms at lunchtimes, priority booking for Key Stage 4 (years 10 and 11) is on Tuesdays, Wednesdays and Fridays. Pupils can also stay behind after school on Tuesdays to practice and rehearse.</p> <p>For pupils taking the production route:</p> <p>Continue with any existing projects using Soundtrap. Alternatively, pupils may create a production of a piece of their own choosing. Pupils can book music tech during lunchtimes, priority booking for Key Stage 4 (years 10 and 11) is on Tuesdays, Wednesdays and Fridays. The studio is only</p> |
