

YEAR 11 EXAM SEASON PLANNER 2024

NAME :

Tutor group:

This document is to help you to know when and where to be during the exam season. It will also help you to plan your revision over weekends, half term and after school each day. The next 8 weeks require dedication, organisation, and resilience... then you get a lovely long summer break!

On this planner you will see:

- **Exams** – these are in bold on the planner. If you are not involved in the exam at that time, then you will be revising in normal lessons. You need to use this planner in conjunction with your **exam timetable**. If you need another copy of your exam timetable, just ask your tutor or contact the exams office. Before each exam you will attend an **exam briefing** in the hall, these briefings are some last reminders to get you in the right mindset for your exam.
- *Masterclasses* – these are in italics and underlined on your planner. Before each exam you will have a masterclass for that subject. These are specific lessons planned to help you do well in the upcoming exam. Masterclasses will be in your normal classroom with your normal teacher unless it says otherwise – remember to check the rooming carefully in case it is not your normal classroom.
- Blank spaces are normal lessons.
- Morning Exam = 8:30 briefing
- Afternoon Exam = 13:00 briefing

Remember to look after yourselves around this potentially stressful time in your lives. Eat well, drink lots of water, get a good night's sleep and make time for exercise. Most importantly be kind to yourselves and ask for help if you need it.

Option blocks – highlight which classes you are in. This will be important so that you know which masterclasses you need to attend. If an option column is stated, the masterclass will only be for that specific block, other blocks may be at a different time.
