

Dear Parents/Carers

Young Carers at School

As part of our dedicated support for students, we have a designated member of staff to oversee the support for young carers.

Young carers show great responsibility, generally caring for members of their immediate family who may be:

- A parent with an illness, disability, mental health problem or dependence on alcohol or drugs
- An elderly grandparent who is frail, or who has a health problem or disability
- A brother or sister who has a health problem of disability

We appreciate the pressures that may come with such an important role, and we aim to do our best to provide support.

It would help us greatly to know if there are any family circumstances, such as disability or long-term illness, which may mean that your child would benefit from additional support.

If this is the case, please complete the form below. All information will be treated in strict confidence.

Yours sincerely

Mrs Carly Molloy
Student Wellbeing Manager

Young Carers at School
