

## Fitzharrys exam results 2019

### Another record year

*Smiling Fitzharrys students who between them achieved 16 grade 9s, 34 grade 8s and 18 grade 7s alongside their other exams*

Fitzharrys students celebrating their GCSE results and the reward for all their hard work. There were strong performances across the school, with almost 10% of students achieving 5 or more grades at 9-7. 79% achieved grade 4 or above in Maths, 74% in English, exceeding the 2018 record. These strong performances are a great testimony to the quality of teaching at Fitzharrys, alongside the determination and character of our students and staff. Well done to everyone for this success.

Fitzharrys A-Level students performed equally well, with everyone heading off to their next steps in education, apprenticeship or employment having secured their grades. We wish them all the very best in the next exciting stage of their lives, and thank them for all they have contributed to our school in their time at Fitzharrys.

Among the many success stories, Trystan Forbes Forsyth (centre) achieved 1 A& and 3 A grades.
