13 July 2020

Dear parents and carers,

As we draw to the end of the school year, I wanted to outline for you our next steps for year 11 students over the next couple of months.

We are disappointed that we have been unable to organise our normal farewell to this cohort of students but are doing everything we can to ensure they get the best possible send off. This week we will be sending out a leaver's assembly to the students via the school network. We hope that they enjoy the messages.

We are planning our year 11 prom for the autumn term and have provisionally set the date of Friday 23<sup>rd</sup> October for an 'autumn prom', which will be held at Fitzharrys School. More details of this will follow in September.

The next big event for all year 11 students is results day, which will be on Thursday 20<sup>th</sup> August. Bearing in mind the Covid-19 pandemic we have had to plan this very carefully. We are keen to make it as enjoyable an experience as possible but will also be adhering carefully to the guidance on hygiene and social distancing.

We will therefore be asking students to turn up at allocated times, allowing them to collect their results at the same time as members of their tutor group. Students should not turn up before their slot, and once they have collected their results, they should not wait around to speak to others outside of their tutor group. If you are bringing your child into school, you should park by the bike sheds and wait in your car. There will be a queuing system for entry into the school via reception, and a one-way system for collecting results. The allocated collection times are as follows:

Tutor group	Arrival time
11F	9.00
11I	9.30
11Z	10.00
11H	10.30

Once students have collected their results, they can write messages of thanks to their teachers, collect hoodies and leavers books, as well as leave any cards or gifts for teachers. All of this will be set up in the hall, though students should bring their own pens to write their thank you notes. Not all staff will be there on the day, with only tutors, the senior leadership team and some support staff present. These staff will be able to assist with any queries or support on the day. Including directing students to support around JMF6, college courses and careers advice.

It would be very helpful if your son/daughter could ensure that they bring in any locker keys, textbooks and other materials that belong to the school. If they have any other revision resources that they would like to donate to future year 11 students, they will be able to drop them off on the day too.

If your son/daughter is unable to attend on the day then they can receive their results via email, should this be required please let us know the best email address to use by emailing our examinations officer [ihale@fitzharrys.oxon.sch.uk](mailto:ihale@fitzharrys.oxon.sch.uk) If there are any other queries then please do contact the school at the office email address [office.4127@fitzharrys.oxon.sch.uk](mailto:office.4127@fitzharrys.oxon.sch.uk)

We are very much looking forward to welcoming year 11 back into school and celebrating their achievements with them.

Yours sincerely

Will Speke
