Dear former Y11 students and parents,

I am writing to confirm that unfortunately the rescheduled Year 11 Prom will not be able to go ahead at the end of this term or indeed in the near future. This is a difficult decision which hasn't been taken lightly but the current circumstances give us no alternative option.

As you will be aware, the current restrictions on social gatherings means that this wonderful event cannot go ahead. Our former year 11's are enjoying their new pathways at colleges and 6th forms across the county and we are not able to organise an event that mixes these 'bubbles' in the current climate or indeed a social event of mixed households with more than six people. This is a real disappointment for everyone at school as we wanted to give all our Year 11's the send-off they deserved.

Unfortunately, with national news broadcasters reporting the potential implementation of further restrictions it doesn't look like we will be in a position to hold the event in the near future either. With the current uncertainty and unknown timescales around COVID-19 we are unable to plan for or confirm a future date and must now confirm this difficult decision. The safety of all of our current and ex-students, their families and our staff must continue to be our number one priority.

On a positive note the hoodies and year books are on their way to us now, following some delays over the summer. We will contact you early next term to invite your children to come and pick those up from school.

Best wishes to you all, stay safe.

Mr Williams
