Dear parents/carers,

I hope this email finds you well and that your son/daughter is successfully accessing their online lessons. Our remote learning webpage contains information about accessing lessons online [Remote Learning \(fitzharrys.oxon.sch.uk\)](https://www.fitzharrys.oxon.sch.uk/remote-learning) if further guidance is needed, but please get in touch with the school if your son/daughter is still unable to access the learning resources effectively.

The government's latest announcement about the changes to examinations this year will have raised many questions about how students will receive their grades and I imagine that post 16 options will be at the forefront of your minds.

While we are yet to be informed of the way in which students will be assessed, please encourage them to continue their research about their next steps. Students participated in a careers wider learning day in December and careers provision via an external careers advisor is ongoing. Thursday morning registration is also dedicated to careers information and discussion.

Our careers advisor has provided a presentation for parents on apprenticeships which can be found here <https://youtu.be/b92yfMsRiNQ> and further resources are open to all via our careers page [Careers \(fitzharrys.oxon.sch.uk\)](https://www.fitzharrys.oxon.sch.uk/careers).

For those who are hoping to continue onto the 6th form, details of the application process are being formalised and will be sent out soon.

I am also attaching an information guide for parents from Oxford City College which may be of interest.

Parents' evening

Year 11 Parents' Evening will be taking place on Thursday 28th January, from 4.30pm-7.30pm. We will be conducting this event via Microsoft Teams, and you will be able to make appointments via the ePraise app.

Bookings will be enabled from Thursday 21st January. Please be aware that some teachers may have multiple classes, so appointments will be on a first come, first served basis. We will send out a guide to booking appointments in the coming days, although we hope it should be fairly self-explanatory.
