19 03 2020

Closure

- School will close **for most students** on Friday at 3.15pm
- Until then lessons will run as normal
- Our normal expectations remain around behaviour and attitude to learning
- The government plan is that schools will remain open for children of key workers and some other children
- We will contact families directly about this

Work while school is closed

- You will be set work online using office 365
- The work is organised by subjects
- In each subject area there is a 'Work in case of a closure' folder.
