

Application for Key Stage 4 courses 2020 version 28.01.20

Name		Tutor group	
------	--	-------------	--

All students will study the core subjects of English (*language and literature*), mathematics, science (*combined (double GCSE) or triple (biology, chemistry and physics GCSE)*), philosophy and ethics (*including religious studies*), physical education, PSHCE (*personal, social, health and citizenship education*) and careers education.

Options applications – please read the Key Stage 4 courses booklet carefully!
You are required to make 8 choices. Remember that we expect the majority of students to study both a language (French or Spanish) and a humanity (geography or history)

	Subject choice	Guidance
Hu		Preferred humanities choice
Mfl		Preferred language choice (if you do not have a strong preference please write 'either')
1		For the EBacc you need to include a humanity and a language in the Hu and Mfl boxes. Everyone must choose at least one humanity or language. Now list six different additional choices in your order of preference. (7 choices if you have not completed <u>both</u> the Hu and Mfl boxes). A total of 8 choices overall must be made. This list can include another humanity and/or language. Please remember that some subjects will run at the same time and so all course combinations will not be possible. This will not be known until the timetable is constructed to maximise opportunity for the year group. We may well talk to you further about your choices.
