Headteacher Mr J Dennett BA (Hons)

8 October 2019

Dear parent/carer,

After a month of your son/daughter being in year 11, I thought it was important to share some key dates and events for the next few weeks and beyond.

In the first year 11 assembly of the year, we talked about having a plan for success. This will be a key theme throughout the year, as we prepare all year 11 students for their GCSE exams, and beyond. To make this clear to students we have produced a 'Year 11 Roadmap'. This highlights key events and suggested actions across the year. Students received this on Monday and have a copy in their planners. Tutors have a copy to put up in their room to help remind and support students across the year. A copy of the roadmap is enclosed.

From the roadmap you can see that for October the key events are progress checks, alongside a revision focus in tutor time and over half term.

- The progress checks will be with you on the 17th October, and students will have tasks to do over the next week or so that enable students to assess how well they are getting on. Thank you for supporting them with any preparation for these.
- The revision focuses on preparing for the mocks, which begin on the 19th of November. Tutors will be running through revision strategies in tutor time, while teachers will be outlining the topics for each exam over the next few weeks. With this in mind, over the next few weeks I will be sending home some advice sheets on revision methods and ideas for support at home.

As ever if you have any queries, please let either myself or your son/daughter's tutor know.

Many thanks,

Will Speke
Deputy Head

YEAR 11 ROADMAP

Planning for Success
